

## Speaker Bio:

Hillol Kargupta is a Professor in the Department of Computer Science and Electrical Engineering, University of Maryland, Baltimore County and the President of Agnik, LLC (<http://www.agnik.com>). He received the PhD degree in computer science from the University of Illinois at Urbana-Champaign in 1996. His research interests include mobile and distributed data stream mining. Dr. Kargupta won a US National Science Foundation CAREER award in 2001 and 2008 IBM Innovation Award for his research on ubiquitous and distributed data stream mining. He received the best paper award at the 2003 IEEE International Conference on Data Mining, Best of 2008 SIAM Data Mining Conference (SDM'08) and Most Interesting Paper of WebKDD'06, the 2000 TRW Foundation Award, 1997 Los Alamos National Laboratory Award for Outstanding Technical Achievement, and 1996 SIAM annual best student paper award. He is an associate editor of the IEEE Transactions on Systems, Man, and Cybernetics, Part B and Statistical Analysis and Data Mining Journal. He served as an associate editor of the IEEE Transactions on Knowledge and Data Engineering. He is/was the Program Co-Chair of 2009 IEEE International Data Mining Conference, General Chair of 2007 NSF Next Generation Data Mining Symposium, Program Co-Chair of 2005 SIAM Data Mining Conference, among many others. More information about him can be found at <http://www.agnik.com> and <http://www.cs.umbc.edu/~hillol>
